

I, John Thurman urge all my friends and relatives to study this very important research prepared by Colonel Niemela.

Who are the Ashkenazi/Jews

FOR ALL>>>Lets stop skirting this issue of the "Jews." The world has been intimidated into the assumption that today's Jews are representative of all of the ancient tribes of Israel. When in reality, their "name" or title of recognition, "Jew" is alleged to be an abbreviation of the name Judah. Judah was one of the 12 sons of Jacob who the Lord God in Genesis 35:10 changed his name to Israel. Therefore, the name Jacob/Israel established the beginning of the people who are called Israel and it is they who are heir to the blessings that the Lord God gave to their grandfather Abram (aka) Abraham.

Thus, even if the current world's so-called Jews were from the Israelite tribe of Judah, (and most are Not!) they would represent only 1/12 of all of ancient tribes of Israel. Ten of the twelve tribes were called Israel and lived in the Northern part of Canaan which was until 1948 called Palestine. Two of the tribes were called Judah and were located in the Southern part of Canaan. The Nation of Judah was a bitter enemy of the Nation of Israel and they were in a perpetual war. The casualties were enormous.

Eventually, the Northern ten tribes left the region of Canaan. Biblically and historically they became known as the ten lost tribes of Israel. Where did they go? Did they disappear from the earth? When Jesus Christ came to that part of the world He announced that He was not sent but unto the lost sheep of the house of Israel. [See Matt 15: 24]. When He was preparing to depart this earth, He instructed His disciples in Matt 10: 6 "go to the lost sheep of the house of Israel."

Check the Bible to discover that this speaks of these people as living currently and to become active again in the future. Now, argue with such instructions (if you will), but know that such disagreement is absolutely futile! That Mission still stands today as vividly as when He spoke it!

For it must be understood that the ancient Israelites simply did not disappear from the face of the earth as has been touted by the Usurpers! Over history, these tribes adopted different names and moved to locations far away from ancient Palestine. After their captivity by the Assyrians beginning in 744 B.C. They followed a westward movement over history under a "new" name, CHRISTIAN, a trek that finally terminated in North America.

These facts are never spoken about and when they are presented with absolute proof, you will be confronted with the noise and screams against such revelations from the false Jews whose masquerade and deceit would then be exposed and their claims to being of Israel totally destroyed! But lets not just skirt the issue of who is who, lets point out from actual biblical PROOF, just exactly Who is Who! Then we can sit back and watch the scampering about to avoid repression, which will come in any case.

Most Jews of today are admittedly, "Ashkenazi's, which is an indication of their historic origins from within Asia. Very few question this and the facts about this point are provable and Right!

Over 90% of the world's so-called Jews are of Ashkenazic derivation. In Genesis 10:1-3

we find listed the progeny of Noah's sons, beginning with Japheth. Verse 2 lists all 7 sons of "Japheth", the oldest being "Gomer". Verse 3 then depicts the sons of Gomer, the oldest being "Ashkenazi"! Here is the proof of the origin of the Ashkenazi's! Here it is established that they are exclusively of the progeny of Noah's son Japheth.

[NOTE] It is imperative to fix it in your mind, that these Ashkenazi's are the son's of Japheth and [NOT] of his brother Shem.

It was from the generations of Shem that Abram was born. Abram's name was later changed to Abraham [see Genesis 17:5]. It was to Abraham and to the generations of Shem that the Lord God promised: "And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing; And I will bless them that bless you and curse him that curseth you; and in thee shall all families of the earth be blessed"... [See Genesis 12:2-3] You will note that the word "jew" was not named with the references to Abraham and it is worthy to note the word is not mentioned in any of the books of the Torah which were transcribed by Moses.

Now you ask, so what! What does that mean today? Much, for we know that the ancient Israelites and their half-brothers Ishmaelites/Arabs (who were the progeny of Abraham and Hagar) are the joint heirs to God's promise to their father Abraham making them legal occupants of Canaan now known as Palestine. Their origins come from their genetic affinity to Noah's sons, "Shem!"

It is this distinction however which the Jews seek to cloak and inhibit, knowing full well that these facts would remove any affinity or affiliation for their "Jewish" claims to being of Israel, thus their claims to Palestine as their homeland are completely invalid! They simply are NOT Semitic, nor are they of the progeny of Shem or Abraham.

There is a 10% number of today's Jews who consider themselves as being Sephardic Jews; a rather distinct group, separate from the Ashkenazic's, who are also primarily of the ancient tribe known as Khazars, a nation that converted to Babylonian Talmudic Judaism in 740A.D. It is from this tribe that the Ashkenazic Jews of the world originated and have primarily come and they know it to be true, but they decry such identification, which removes them from any association with ancient Israel and its subsequent Covenant promises.

After 70AD, the Arabs settled into all of the ancient Palestinian regions and have been its legal occupants since then and justifiably so, since they too, qualify as progeny of Abraham, to whom God clearly stated, were to inherit this particular land of middle east "forever." Such has been the case; they have occupied Palestine legally and are biblically justified in doing so! Despite the false claims of the Khazarian Jews....Now you can understand Jesus' comments about the false Jews being the synagogue of Satan that was made in Revelation 2:9 and 3:9.

"I know thy works, and tribulation, and poverty, (but thou are rich) and I know the blasphemy of them which say they are Jews, and are not, but are of the synagogue of Satan."

"Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them come and worship before thy feet, and to know that I have loved thee."

Read those verses again and understand that Jesus is talking about today! He foresaw today's events in which the Jews of today have placed the Christian nations of this world

into a captivity of sorts from which only Divine intervention can remove such containment. It will come, for the words of the Lord have to be concluded. Here for example is but one verse in which God says that He will be required to resolve our issues. After first describing the current times with these most definitive words:

"Alas! For that day is great, so that none is like it; it is even the time of Jacob's trouble; but he shall be saved out of it." (Jer.30:7) God then notes how He will intervene in our lives, for it is we, whom He calls "Jacob--We being the world's Christian Israelites, the progeny of the ancient tribes of Israel.

"For it shall come to pass in that day, saith the Lord of hosts, that I will break his yoke from off thy neck, and will burst thy bonds, and strangers shall no more serve themselves of him." (Jer.30:8)

So, Christian Israelite, if you are of Anglo-Saxon, Germanic, Scandinavian, Celtic, and kindred nations/races, you are an Israelite and simply you may not yet realize it...But, such is the theme of the Bible which speaks of the eventual restoration of Israel under His kingship. Our Kinsman Redeemer! Note what He considered to be His kinsmen! The Lost sheep of the house of Israel.

(Matt.21:43) In this connection there is a marginal rendering that shows a different rendering of Daniel 9:26: *"The Jews they shall be no more His people."*

The dispersions and judgments pronounced upon the residue (Ashkenazis) in Jerusalem as found in Jeremiah 24:8-10 have continued down through the ages and the end is not yet. *While many instances in the Bible in which the word Jew appears, its rightful depiction in most cases should have been Judah or Judean, but for the influence of the Talmudists on early Bible translators..*
